REASONS FOR ALLOWANCE

Claims 1-5 have been allowed over the prior art.

The following is an examiner's statement of reasons for allowance: prior art could not be located that taught an image sensor having a transparent layer covered on the frame layer for covering the photosensitive chip so that the photosensitive chip may receive optical signals passing through the transparent layer respectively, at the periphery of the transparent layer formed with cut -corner. This limitation, in conjunction with the other claim limitations, was neither disclosed in, nor suggested by, the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
